Resolved, That in any adjustment of the Tariff for the purposes of revenue, due regard should be promise Act will soon become impracticable ; that

Resolved, That a committee be appointed to

draft an address to the public from this Conven-

Which were read, discussed and adopted. SATURDAY, Oct. 16.

Mr. Blunt, from the committee on the Organization of the Home League, reported the plan of

We notice with pleasure the account of the and the Presidents of the State branches shall be Home Industry Convention, in session in the city ex-officio Vice Presidents of the Home League. Art. 4. In each State the League shall form

resolutions are given below, and we recommend Towns and Counties, and at each annual meeting them to the perusal of the farmers and mechanics of New England, as an expression of opin-nual meeting of the Home League.

> Art. 6. By laws for the government of the League shall be enacted by the respective associations for

their own government. On motion, the following gentlemen were ap Kinney of New Jersey.
On motion of Mr. Haven, the President of the

Convention was added. Messrs. White of Tennessee, Simpson of New the policy and legislation of the Government of the United States until 1812, have called into ered resolutions, which were debated, approved

A committee of Finance was appointed.

A resolution was passed requesting the publiournals of this city and the whole country to pub lish the proceedings of this Convention, On motion adjourned without day.

Samuel Swartwoot, Esq. is at Washington.

A Lawyer's Speciacles. A French countryma employed a lawyer to conduct a cause, but did no in a hurry to give him his fee. "Friend," said the attorney, "your business is so confused that I cannot see my way into it." The countryman, who was aware of his meaning, drew two pieces of gold out of his pocket, and giving them to the limb of the law, said, "Well, then, sir, here is an excellent pair of spectacles for you."

English Bull. The following curious notice re cently appeared on a church door in England:
"This is to give notice that no person is to be buried in this churchyard but those living in the Resolved, That the primary objects of the buried in this churchyard but those living in the HOME LEAGUE will be to digest and recommend sired to apply to Ephraim Grub, parish clerk."

It is said that when the Hon, Dixon H. Lewis o merce and Finance, exercising a continuous in- Alabama got between Messrs. Stanley and Wise fluence for the benefit of the Union, independent during their rencontre in the House of Represenof sectional prejudices, aloof from traumels and tatives, they could not hear each other's voice free from vascillating and temporizing expedients. round the huge mass of mortality that separate Heselved, That in the organization and proceed-ings of this league, no influence is contemplated before a man could walk round Mr. Lewis.

Raleigh Register. RESIGNATIONS. The Milledgeville Geo. Recorder says Messrs, E. A. Nisbet and J. C. Alford Resolved, That labor, corporeal and mental, is have both we regret to learn, from private considconservative of virtue and the origin of wealth; erations, bee necessitated to resign their seats in

ing Cough, and all diseases of the Lungs, and Windjects upon which it can be bestowed, or meets pipe; extensively used and recommended by the with no adequate reward.

NAVY SUPPLIES FOR 1842.

NAVY COMMISSIONER'S OFFICE, I September 29, 1841. PROPOSALS, scaled and endorsed, will be

ceived at this office until 3 o'clock, P. M. Monday, the 1st November next, for turnishing a delivering at the Navy Yards at Portsmonth, N. H. Charlestown, Mass., Brooklyn, N. Y., Philadelphia Washington, D. C., Gosport, Va., and the Baltimore Naval Station, respectively, such quantities of following articles, of the best quality, that may ordered or required from the contractors by the r poetive Commanders or Commanding officers at said Navy Yards and Naval Station, or by the Nav Agents, respectively, during the year 1842, for use of the Navy of the United States, viz :

No. 1. But and Suces Copper (not rolled) No. 2. Round, flat, and square Iron

No. 3. Superfine Flour No. 4. Ship Biscuit (made from superfine flour of the manufacture of the year 1841 or 1842)

Beans.

who may offer are not to have any claim or privilege to furnish any greater quantity of any article than may be expressly ordered.

It is also to be understood that, when persons re-

Reparate proposals must be made for each slass of anticles for each Navy Yard and for the Balamore Naval Station. The blank offers furnished to individuals must have all the blanks carefully fitted up and must have all the blanks carefully fitted up and must be subscribed as directed in the note on the face of each form, and the offers must be subscribed as directed in the note on the

Naval Station. The stank offers furnished to individuals must have all the blanks carefully fitted up, and must be subscribed as directed in the note on the face of each form, and the offers must be unqualified and unconditions.

Bonds, with two approved surcties, in one third the estimated amounts of the respective contracts, will be required, and 10 per centum in addition will be within-ld from the amount of each payment to be made, as collateral security for the due and faithful performance of the respective contracts; which will, on no account be paid until the contracts are complied with in all respects, unless specially authorized to the mast popular on second of the prevaiting sweetness of its melodies, and of its flattering the popular taste, by admitting many tunes by our own elder composers.

This new volume of music has received the highest commendations from those learned in the science; and on no account be paid until the contracts are com-plied with in all respects, unless specially authorized by the Board of Navy Commissioners. After deducting ten per centum, payment will be made by the United States within thirty days after the said articles shall have been inspected and received, and bills for the same presented to the Navy Agant, approved by the Commanders or Commanding Officers of the respective Navy Yards and Naval Station aforesaid, according to the terms of the contracts. cording to the terms of the contracts.

The Board of Navy Commissioners reserve to themselves the right to reject all offers from persons who have heretofore failed to fulfil their contracts. Blank forms of offers to each denomination of atticles will be furnished by the respective Navy Agents, or Commanding Officers, to persons applying for them, and upon which all offers should strictly conforming to the directions which they con tain. Samples of the biscuit will be lodged with the Commanding Officers of the respective Navy Yards

and Naval Station. 26 the above advertisement are requested to note a correction in the first article, and make their estimates for hot rolled balt and sheet copper.

SEYMOUR MARSH and SON, Canniearie Montgomery Caunty, New York, and furthat

purpose they have formed a copartnership, under the came and sixle of S. Marsh and Son, to whom all orders from abroad must be addressed.

These Trusses are constructed in many particulars on an entirely new plan, and their advantages over all other trusses, have been attested not only by the most respectable of the Medical Faculty, but by the actual TEA! TEA! experiment of those afflicted with the disease they are intended to alleviate. The most eminent physicians, upon an examination of this trues, are so decided as SALT, Glass and Nails, as low as usual at the superiority, that they cheerfully and voluntarily Oct. 8. LYMAN and KING'S. give certificates to the proprietors to be laid before the public, a tew of which may be seen on the hand bills. For sale by SILAS BURBANK, Montplier

HAIR!! HAIR!! BALDNESS. DR STERRY'S HAIR REGENERATOR. Dr. Sterry, a Important discovery—the great mystery found out at inst.

DR STERRY'S HAIR REGENERATOR. Dr. Sterry, after much attention to the important subject of presorving the hair, has, after many ex veriments chemical and physical, seen able to discover an article which is now offered with the great est confidence for the tollet, as the best thing ever discovered for its softening and power rating quality, to produce a good lead of the softening and power rating quality, to produce a good lead of the softening of the softening of the softening of the produce and to present it from turning gray. It is more morishing than pomatum antique oil, o. Cologne water. It is a beautiful strick for ladies' curls—it on kee the half soft and lively, and preduces uncommon brillnancy. Thousands have tested its superior virtues and executions, and in every instance it stands unrivated. It is an infallible cure in all affections of the skin on the head, as desired, one. Every family should be supplied with a bottle of this oil, that by its application to the beau and lair of children the least that and ornamental appendage of a line head of hair, which cature has supplied us, may be preserved. From the numerous certificates and recommondations received of it salutary influence, the Doctor feets family persuaded be has succeeded in producing an arriels which will meet the desired wishes and approhation of the public. For sale, wholesale undretail, by S. BURBANE, Monspolier.

MAGNETIC ODON'TICA

MAGNETIC ODONTICA.

THE TEETH THE TEETH! A fact is proved, and the most incredulous and doubset are fully convinced, as we have the evidence of fact is proved, and the most incredulous and doubset are fully convinced, as we have the evidence from the sale of 29,000 became of that its comparable Tooth Preparation the Odontica, within the past year, that the Utopian of came up the alebymists are centified and a remedy discovered for preserving these important and useful appendages of the human system by the use of the Magnetic Odontica, which by its attractive, purifying and strengthening qualities, remeves all satianeous substances from the teeth, and preserves them in their natural brilliancy, and the gams in soundness and benety. It is ascettisted from experience, that when used, the useful will never decay, but remain till the latest age of man, with the natural wear. When they are decayed, its progress will be air ested, and the teeth preserved and prevented from aching—all this has been done in a multitude of instances; and more—in thousands of cases, nervous toothache (that climax of pain) has at once been effectually cured by this most popular dentifice in America. And in conclusion, where, or who is the young indy or geatleman, any, the individual that values a beautiful sot of teeth, sound gams and a sweet breath more than fifty ceats, that will be longer destitute of a box of Dr Mitchender's Magnotic Oliontica. For each wholesale and retail by S BURBANK, Montpelier, Vt.
